Match & Return

Dear Sir:

Pursuant to 37 C.F.R. §1.97, as revised on February 4, 1992, 1135 OG 23-24, Applicant hereby call the Examiner's attention to documents listed to on the attached form, which documents may be material to the examination of this application. Copies of the references are being enclosed with the mail copy for the Examiner's consideration.

A translation of Japanese Laid-Open Patent Application No. 09-016122 is enclosed. This translation was prepared by using a machine translation of the Japanese Patent Application particularly wishes to bring paragraph [0013] to the Examiner's attention.

No inference should be drawn that any apparatus disclosed is equivalent to the subject invention.

The citation of the above-discussed is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of any document herein is not to be construed as an admission that any subject matter disclosed in the document is necessarily within the inventive field of endeavor, that any disclosure is necessarily prior in time to a particular date which may be relevant to the instant patent application, and/or that any disclosure is otherwise necessarily prior art with respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant invention is distinguished over the disclosure of any document or other art, including the disclosure of those documents discussed herein, that may be cited by the Examiner in rejecting a claim in the instant patent application.

A RCE is being filed herewith so no fee is believed due. Please charge our Deposit Account No. 50/1039 if any IDS filing fee is due.

Respectfully submitted,

Date: December 9, 2002
